## The Last Meme

37 4 4

### Chapter 1 by Kristine

This world is full of memes. Nobody could think of a meme again, because every meme has been invented in this world. The world is so bored, because every person in the world knew every meme. We need an entertainment.

### Chapter 2 by Semko Van de Wolfshaar

Jim was destined to be the one to created the memery capable of ending the entertainment crisis. The meme prophet, Actual Advice Mallard, had told him when he was young that he would rise through the depths of 4chan.org/b/ to accomplish his dreams on the internet. Ever since that day he had trained, gathering internet points on Imgur and Reddit, trying to gain enough power to one day be one of the real heroes, the Meme Hunters.

### Chapter 3 by TwentDoggo

One day, Jim was scrolling for hours when finally, he spotted one little meme unseen by any other person on Reddit. He gasped when he realized it only had one upvote. He finally found what he was looking for... a new meme. He had to think about how he was going to make the meme popular. People have become so tired of memes nobody wanted another. He had to

figure out a way to change people's minds.
